(a) Forest cover H = 0.6
cluster count
(b) Forest cover H = 0.6
forest area
(c) Forest cover H = 0.3
cluster count
(d) Forest cover H = 0.3
forest area
(e) Forest cover H = 0.125
cluster count
(f) Forest cover H = 0.125
forest area
(g) Forest cover H = 0.025
cluster count
(h) Forest cover H = 0.025
forest area
Mean cumulative fraction of forest clusters
Mean cumulative fraction of remaining forest area
